

<p>1. LAN</p>	 <p>A photograph of a printer's control panel. The screen displays several menu items: '복사' (Copy), '사용자 프로필' (User Profile), '팩스' (Fax), and '스캔' (Scan). At the bottom, there are three water level indicators and page numbers '1' and '2'. A yellow box highlights the 'LAN' option at the bottom of the screen.</p>
<p>2. 설정표시</p>	 <p>A photograph of the printer's control panel showing the LAN settings menu. The screen displays 'LAN 환경' (LAN Environment) at the top. Below it are options: 'DC 직접 연결 활성화' (DC Direct Connection Activation), 'LAN 유선 LAN 활성화' (LAN Wired LAN Activation), and 'LAN 사용 금지' (LAN Usage Prohibited). At the bottom, there are two buttons: 'LAN 설정' (LAN Settings) and '설정 표시' (Show Settings). A yellow box highlights the 'LAN 설정' button.</p>
<p>3. IPv4 주소</p>
